EXTREME Razzle VOL. 78

The New Year is well under the way and in this month's issue of Razzle Extreme we've got a whole host of dirty birds! Cover girl Sophia Delane is her usual self, she just can't wait to get her top off and wobble her knockers for your viewing pleasure. Fran, Barbara, Roxi Keogh and Lottie Lovelace can't get enough of each other, we can't remember the last time we witnessed so much pussy gobbling all in one magazine. Razzle (and Paul Raymond) favourites Amber Leigh, Carley Maliiboo, Tasha Holtz and Perri all had a blast, but not as much fun as Anastasia had with her trusty dildo! Happy wanking...

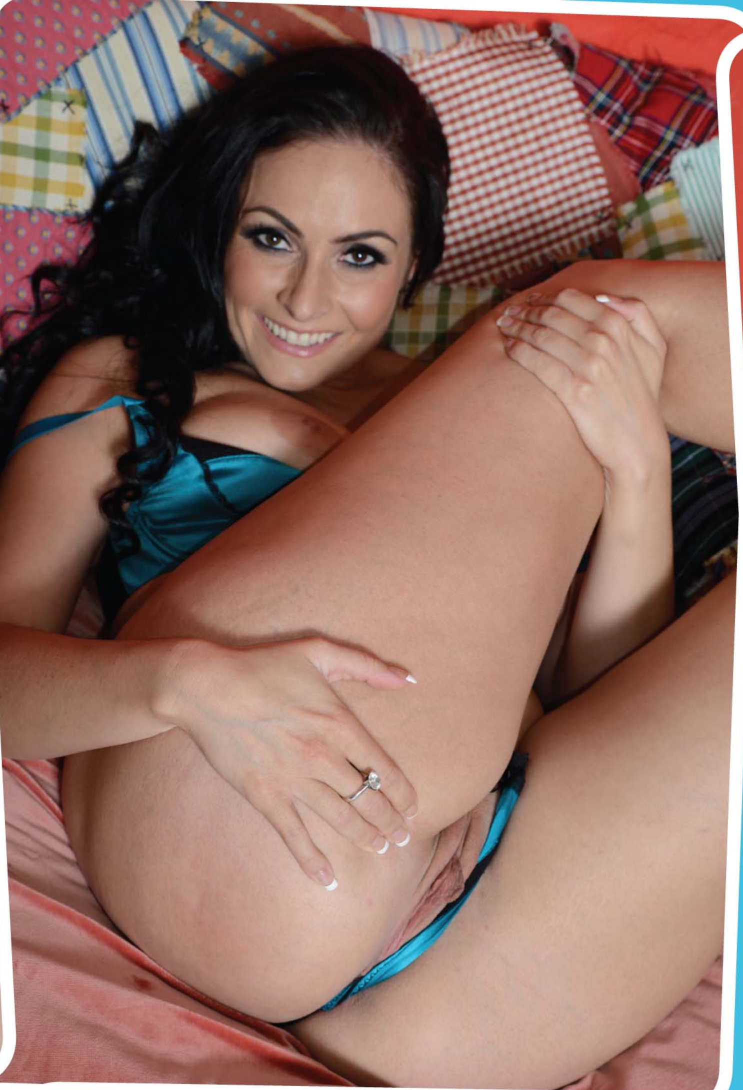
SOPHIA



What's there not to love about Sophia Delane? She's got a lovely smile, a juicy pussy that you'd love to lick and fuck all night long, and then there's those fun bags on her chest! "I do get quite a lot of comments about my boobs, and to bed honest I love all of the attention that they get me. Guys constantly ask me if I give a great tit wank and I always tell them that if they buy me a drink or two they'll get to find out by the end of the night!"

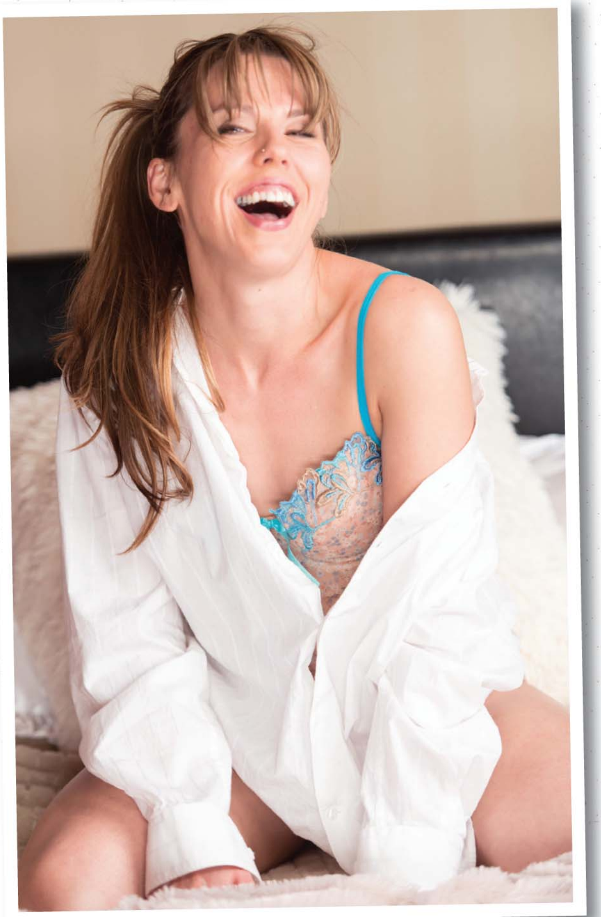
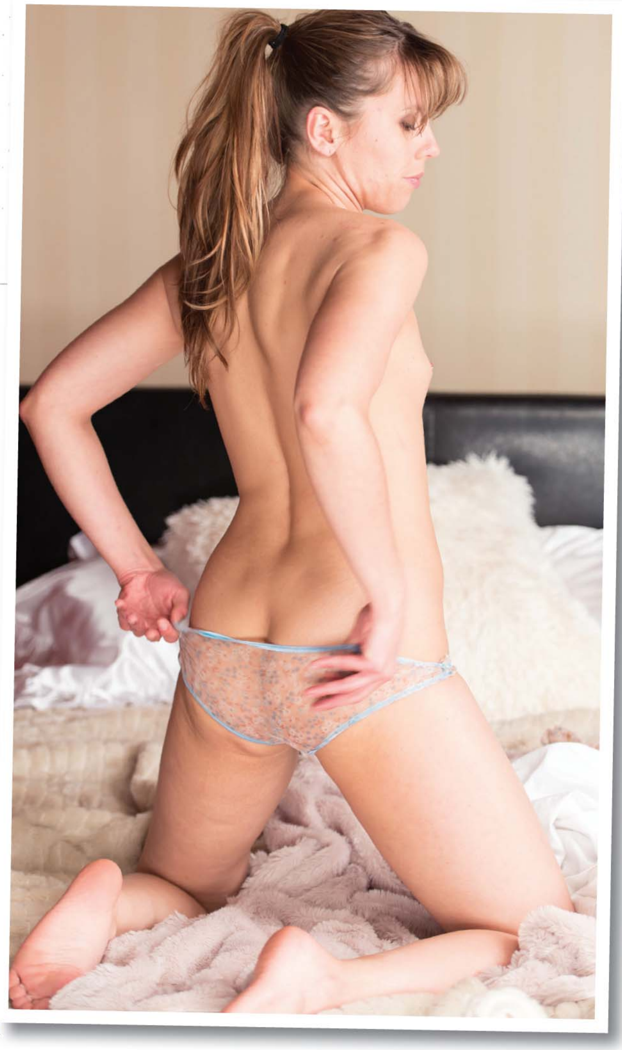
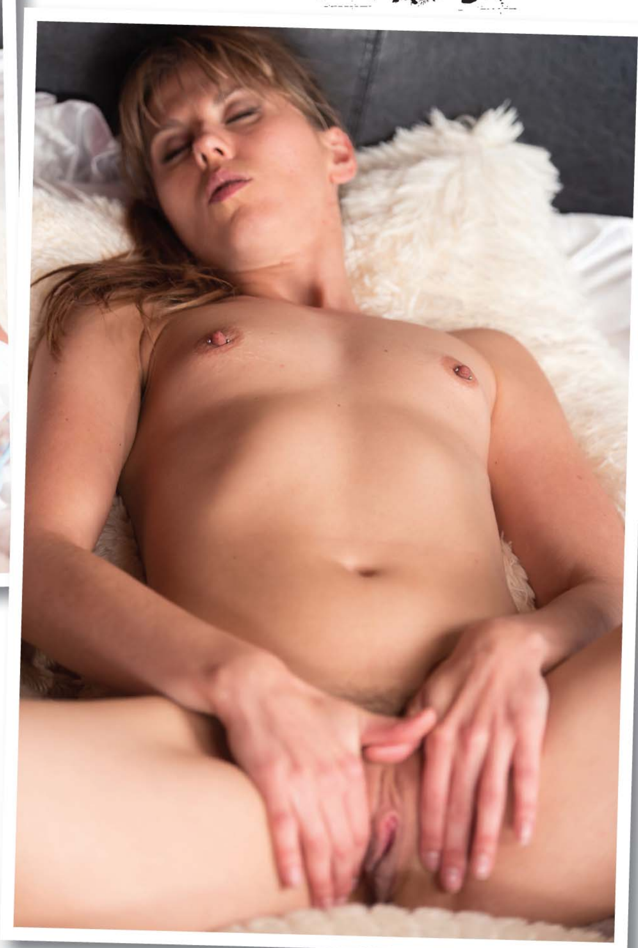
THE DICK-ORATORS IN!!



My wife Jane loves being really dirty in front of the camera and over the years we have taken many photos of Jane fucking herself with her many dildos or sucking my cock. These were for our eyes only.
That was until we got a decorator in to do our bedroom. His name was Andy and he looked about 25 years old.
He told us it would take about three days to do.
On the third day Jane finished work early. She let herself in and went upstairs to see how Andy was getting on. The bedroom door was half open.
Jane looked in to see Andy lying on our bed wanking his hard cock while looking at some pictures of Jane naked with a big dildo deep inside her wet cunt.
Jane stood there for a while watching Andy wanking. Her cunt started to throb with excitement. She was so turned on she went in and stood in front of Andy.
He started to say how sorry he was but Jane told him to keep wanking. She was loving the sight of him tossing over her photos.
Then she dropped to her knees and took his cock in her mouth. Jane is an expert at blow-jobs – she likes to tease the end with her tongue and then take the lot deep down her throat.
It wasn't long before Andy was pumping his hot spunk deep inside Jane's mouth. She kept sucking until all his spunk was inside her.
Jane now wanted Andy to lick her wet cunt. She got naked and lay on her back with her legs open. Jane told Andy to get down and lick her pussy, and he did so straight away.
He flicked her hard clit with his tongue for a while. Then he pushed his tongue all the way up her cunt. This had Jane cumming in no time, pushing his face into her cunt and coating it in love juice.
Next Jane instructed Andy to fuck her hard. He had recovered his hard-on, and he got between her legs and pushed it all the way up

> **"It wasn't long before Andy was pumping his hot spunk deep inside Jane's mouth until all his spunk was in her"**





her. His cock wasn't that long but it was satisfyingly thick. Jane was soon cumming again as Andy pumped his meaty cock into her. They fucked for about an hour before Andy came over Jane's face and tits. She finished off by licking his cock clean.

When I got home from work Jane told me what had gone on. I was a bit pissed off to start with but the more I thought about it the harder my cock got. We ended up fucking for hours and by the time we were done Jane's cunt was well used and sore.

Jane has asked Andy to decorate the hall and spare bedroom. He said it was a big job and he'd need to bring a mate along to help. Needless to say, Jane was grinning from ear to ear when she heard that news!

We came across this great set of Carley taken a few years ago and we thought you guys might like a bit of a blast from the past! “I’ve not changed a great deal since then, apart from enhancing my chest!” Carley told us. “And I love sex just as much now, if not more, as I did back then. Am I a nymphomaniac? No, I don’t think so. I’ve just got a healthy interest in sex. Isn’t a nympho just what a man calls a girl who wants more sex than he does? I’m young and have a beautifully tight pussy. So why not share that? Well, you’ll have enough time to look at it while you’re screwing me from behind to test it out!”

Lucky fucker

Nadia, Jack & Belle

Lucky Fucker

> **"He wasn't capable of fucking either of us so he pulled the dildo from my cunt, used my juices and his spit to lube me up, then he slipped it up my arse."**

As soon as I met Nadia at work and started to see a fair bit of her, I knew my other half, Jack, would fancy the knickers off her. At first, I decided they should never meet, no matter what, or it would only end in tears.

But as my own girl-crush on her got more passionate, I fantasised about her taking his cock. Perhaps that was the only way I could make the leap to lesbian sex – to make it seem like I was lusting over Jack just as much as I was over her. Maybe I was more repressed than I thought!

One night, after a few drinks in our work local, I was showing her his picture and told her she was his type. And we came up with this twisted idea of "honeytrapping" him – her chatting him up, then bringing him back home to hers where I'd be waiting. Not for a confrontation but a threesome. Just the thought of it had my mouth dry, my palms moist, and my pussy even wetter!

Turns out he was more faithful than I'd expected. I got a text from Nadia, saying he was having fun flirting, but had made it clear he had a girlfriend. I told her to give me time to get there, then really throw herself at him. So I walked in to find her wrapped around him, and the poor sod almost shat himself!

A double whisky and an explanation soon calmed him down and while he sipped his drink, me and Nadia flirted and even snuck a little snog – my knickers were sodden with my juices by now. Then we went back to Nadia's. By now all three of us were up for it and very horny.

Lucky Fucker

Jack wanted to see more of the lezzie show, but I said I'd rather watch the two of them. Nadia said fair play, this setup was my doing so I should get what I wanted, so I sat on the bed as she writhed under him, still in her sexy undies. He'd only stripped to the waist, but she got his trousers undone, and his cock was tenting the front of his boxers right out, looking like it would rip a hole in the fabric. He was sucking her through her bra, leaving wet patches and stiff, sticky-up nipples. And she was rubbing herself against him, desperate for him to give her cunt a bit of attention, but he made her wait.

In the end, he grabbed the front of her knickers and pulled them tight into her slit, sawing them against it. She bucked so they slipped to one side, then moved his hand so his fingers found her hole, and she let out this really slutty-sounding sigh of pleasure.

I giggled – I couldn't help myself – and he said I should hear myself sometimes.

"Just shut up and fuck her," I told him, and we all used this "break" as an excuse to get totally naked.

Nadia handed me one of her dildos, so I could frig off while I watched them. It was a vibrating one but I left it switched off – I just wanted the feel of a big solid cock playing up against me, just like she'd be getting.

I saw some horny sights but weirdly, the one that really got to me was just before they started shagging, that "no going back" point, where Nadia lay back, pussy spread and opened up wide, and Jack knelt in between her legs, cock as hard as it ever got and ready to thrust up her, a gleam of pre-cum on his glans. I just wanted to grab hold of it, wank it and then stuff it in her wet cunt, and as I thought about it and just touched the tip of the dildo to my clit, I had like a miniorgasm. But I just let them do it

Angels Of Mine

their way, sucking in a breath as I watched his prick slip inside. He was filling her right up – the rim of her cunt was all tight and shiny. But she was so wet that taking him was easy. I was fascinated watching her lips cling to the sides of his stiff cock as he pumped in and out of my pal.

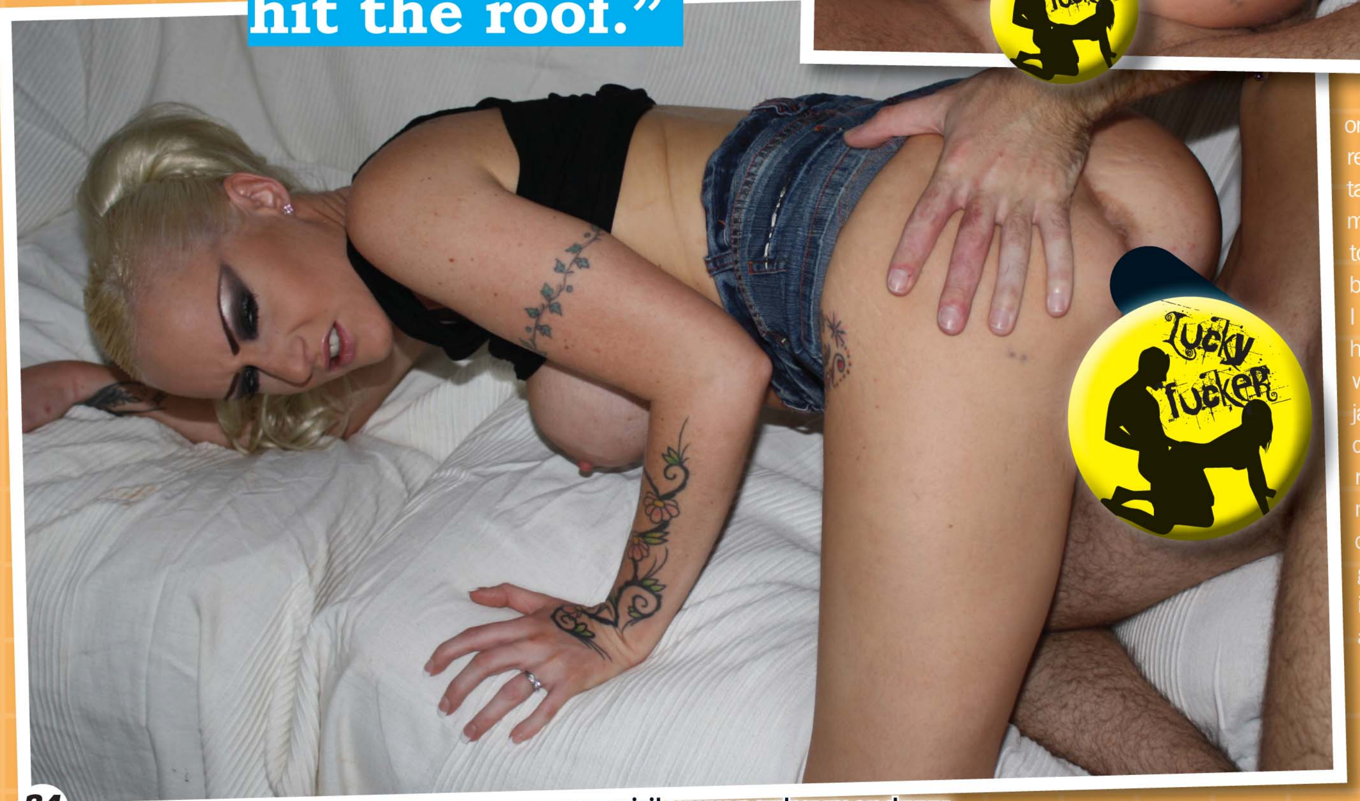
I slid the dildo in myself, and only took a few strokes to cum, so full-on this time that Jack stopped mid-thrust so he and Nadia could watch me. Then my pussy kept on throbbing round the big rubber cock inside it as they started humping again.

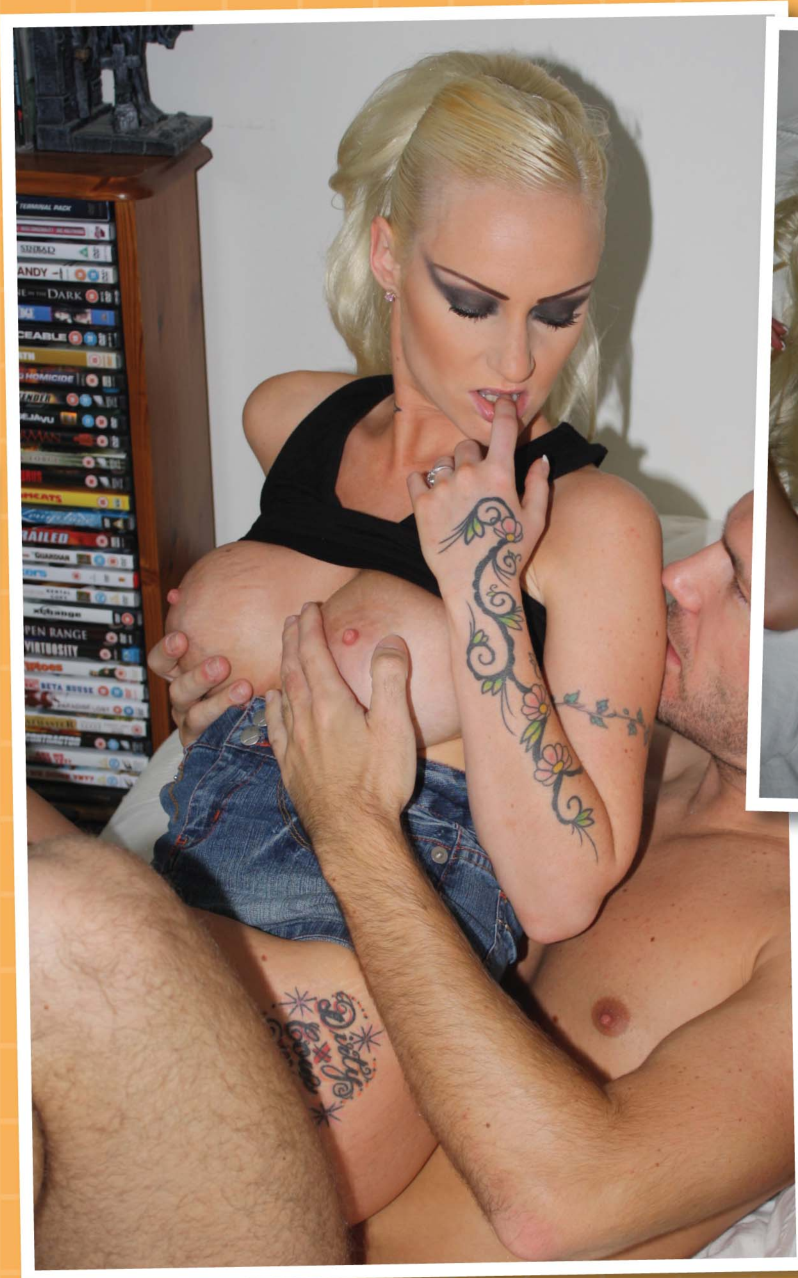
Nadia's nipples were like little ripe berries, and my mouth watered as Jack sucked on one. Then, when he switched over to the other one, I couldn't resist any longer, tasting his hot wet mouth on it as I tongued the little bud.

I was on my hands and knees, with the toy still jammed in my cunt, and Jack reached behind me, fondling my cheeks, then grabbed hold of it, pumping it in and out as he fucked my friend. His other hand was frigging

"He pulled out, dripping wet and I helped myself to a suck, even though he was so sensitive he almost hit the roof."

Lucky Fucker





Nadia's clit and hitting the right spot, going by the way her body spasmed on the bed.

Then I think it all caught up with him. Burying the dildo inside me, he fucked into her hard and fast, arse tightening rock hard as he lost his load.

He pulled out, dripping wet and I helped myself to a suck, even though he was so sensitive he almost hit the roof. Nadia was all splayed out and floppy, but I knew she'd soon come round when I started licking her.

This was my first lezzie fuck in a long time, so I felt a bit nervous, lapping at the sides of her snatch first. But she'd put up with enough teasing from Jack, and grabbed the back of my hair, pulling my mouth onto her soaking hole. I dipped my tongue, drinking down her juices and Jack's cum, and used a fingertip to tease her arsehole.

She told me to finger her deeper, moaning how she loved it in the arse.

"Now you're telling me!" groaned Jack.

He wasn't capable of fucking either of us anyhow right then, but he pulled the dildo from my cunt, used my juices and spit to lube me up, then slipped it up in my arse.

As he pumped it and fingered my clit – he knows what I like! – I was slurping away at Nadia's cunt. She was cumming like mad, humping my face, and finally pulled it hard up against her till the power of her orgasm unleashed itself into my mouth and nose. I gasped as my passages were flooded with her hot sweet cream. So sexy!

Jack's cock got plenty of honey from our little honey trap, but one dick can only do so much for two girls. Good thing we had our tongues and fingers and Nadia's toys to play with too! If Jack's good, I've promised him we'll go back!

BACK IN THE STRADDLE

When I like a bloke I go for it, and my mate Ellie is the same, so it's a wonder we've only shared a man in bed once.

The lucky bloke was called Steve and we pulled him at a nightclub. I don't know who started flirting with him first, but he was loving the attention from the pair of us, and when Ellie asked him straight out if he was coming home with her, he said only if I was coming too.

It was so fucking sexy – I was lying in between his thighs, playing with his cock and balls, while Ellie was just straddling him, her tits shoved in his face, rubbing herself all over his body and leaving a mess of sticky juices all over his belly.

Next thing I knew, she was backing down even further, her legs splayed wide, and I started wanking his cock against her moist slit and crack. He was straining hard and she was moaning out loud as I teased the pair of them, making them wait before I finally fed his prick into her hole.

Even when they started fucking I didn't leave him alone – I was fondling his balls as he sank his prick in deep. And obviously it was such a turn-on to see two people screwing this close up.

I wanted in on the fun myself, though, so I moved up the bed and straddled Steve's face, letting him take a couple of little licks at my twat first, before sinking down to grind away on his mouth. Ellie was bouncing around on his prick, her tits jiggling about like mad, so I cupped them in my hands and leaned forward to snog the face off her.

She teased me, asking why I was bothering to do this when Steve wouldn't be able to see us with, as she put it, "his face up your twat".

I told her I'd fancied copping a feel of her, simple as that.

I got to do even more when she rode Steve to a powerful climax.

She got off his cock and stretched out on the bed, moaning that she hadn't quite got there herself before he'd shot his wad up her twat. She was fingering herself, playing with the spunk oozing out of her fanny, and I hauled myself up off Steve's face to give her

a licking.

I sucked and lapped away at her for what must have been ages, gulping down Steve's creamy mess as her juices washed it out of her. Then I jammed three bunched-up fingers into her hole, pumping them as I sucked on her clit. I've often wondered how it feels for a bloke to have a woman cum around his shaft, and the way Ellie clenches when she goes off like a rocket must be hard enough to have set off a few spunk blasts.

I wasn't leaving Steve out – as soon as he could handle having his cock touched again after cumming, he grabbed my hand and, with his own slapped over it, started using it to wank himself. I loved the feel of him hardening against my palm, his skin still moist and sticky from Ellie's fuck cream.

When I couldn't get him any harder, he got in behind me and started wanking against my slit, frustrating me like I'd done to him and Ellie – I was just dying to feel that lovely fat prick inside me. He couldn't keep that up for long, though – I didn't have to ask before I felt him rub it against my hole then push it in with one smooth thrust. I was still licking Ellie, even though I'd brought her off once, but I soon lost my focus and I reached back to frig my own clit as Steve fucked me. He was grasping my arse tight, squeezing and shoving my cheeks around his cock as he thrust in, and it wasn't long before all the sensations got too much, and I was cumming all over him.

I love having threesomes – obviously it's best for me when I'm screwing two blokes, because there's always a hard cock when you need it.

But I was happy to mess around with Ellie whenever Steve needed a bit of time to recover from satisfying us both…

Naomi, Lincoln.

TRUE CON

A NICE TIGHT FIT!

When my husband Mick and I did out our new place, the last thing we had sorted out was the kitchen. When we stood there looking at it, we both got the same idea – christening it before we'd even made a cup of tea there.

I was well up for that – and told Mick to hang on while I slipped into something a bit sexier. With all the muck and dust from the workmen we'd been slobbing around in old tracksuits and T-shirts for months, but now the place was gleaming clean I could dress up a bit. I went through to the bedroom and changed into white stockings, suspenders and a matching bra – I just thought white suited the first time feeling of all this. I also put on high white stilettos – Essex as fuck, but very sexy with it. I thought I'd leave the g-string off, but then decided to put it on, pulling it up so tight my pussy lips were pushed to either side of it and every step I took had it sawing against my clitoris.

Mick's eyes nearly popped out of his head when he saw me walk in – it had been so long since I'd dressed up for him like this. We normally just showered off the dust and grime and went to bed naked.

I wouldn't let him near me for a couple of minutes – I just put on a sexy dance show for him, hoping how I looked would imprint itself on his memory.

I ended up sat on the work surface in the middle of the kitchen, which doubled as a table, first with my legs splayed on either side and pulling on the front of my G-string, my hips angled back so Mick could see the sticky-wet string stretched along my slit.

Then I lay back with a come-and-get-me look.

Mick unzipped and strode towards me like a man on a mission, but I told him I wanted him stark bollock naked. He's got a sexy body and seeing him in his full glory would get me even wetter. And I couldn't

> **"MICK PULLED OUT OF MY PUSSY AND POSITIONED ME ON MY BACK, THEN HE WENT AROUND AND DANGLED HIS PRICK OVER MY MOUTH."**

FESSIONS

resist nagging him about leaving his clothes on my nice new floor!

He grabbed my arms and slid me forward, so my arse was perched on the edge of the work surface, then he raised my legs right up so my feet were resting against his shoulders. He teased me, rubbing his cock head up and down my slit, and then put it inside me, thrusting in deep.

His little nickname for me is Minx, and I lived up to it, pulling my tits out over the top of my bra and reaching down to scoop up pussy juices to rub into my nipples. Of course, no sooner did I get them well smeared than Mick sucked them clean again!

After a few minutes, Mick pulled out of my pussy and repositioned me on my back, then went around to my head and dangled his prick over my mouth. The pre-cum was dripping out of it, and he painted this on me like lipstick, then he had me sucking him properly, taking his prick in my mouth. He loves to spunk down my throat, but not this time.

As soon as there was any danger of me sucking him to an orgasm, he pulled out again.

"I want to do this properly and fuck you in every hole," he whispered in my ear, and I wasn't going to deny him the pleasure.

I bent forward over the worktop, the granite cold against my exposed nipples, and reached back to spread my cheeks for him.

He grabbed the bottle of olive oil we'd bought that day and poured a load of it over my crack, using his fingers to work it around and inside my tight brown hole. Then he slathered even more of it on his cock.

It was a tight fit – it always is when we do anal – but I finally took Mick's entire length inside my arse, right down to his balls. He started pumping in and out, and I clenched as the sensation started to build. Finally, I felt his prick begin to jerk and the next thing I knew, spunk was flooding into my arse.

Fair play to Mick, he cleaned up all the mess, so the kitchen looked perfect again when he took a few naughty snaps of me. Too bad he's only done the washing up twice since then, but that's not what I married him for!

Kelly, Bolton.

Single Mum Corrine has waited until the ripe age of 35 to shed her clothes and bare her tits and pussy for the first time, and when we asked her why her answer was very straightforward. "It's been nearly a year since I last had a shag and quite frankly I'm so gagging for it that I'll fuck anything with a pulse and a dick, I don't even care what size it is! And just to give your readers a better view of where they can stick their cocks I've shaved off my bush for the first time in my life!"

A Mothers Love Is Uncondit
I Aint Perfect

knows no law, no pity
stand in its path

Roxi loves munching down on a nice bit of pussy and she was over the moon when we told her she'd be locking lips with Lottie Lovelace! "I've probably licked out more pussy than I've noshed down on cocks!" Roxi told us. "And I've got it on good authority from some of the other girls that Lottie's pussy is right up there with the very best. When I get my hands on her I'm going to get busy with my tongue and fingers, and just when she's on the verge of cumming I'm going to slip my middle finger right up her bum. She's going to gush on my face like she's never done before!

KITCHEN DEVIL

There were a dozen of us, guys, girls and couples at this dinner party.

We'd had a lovely meal and I offered to help clear the table. Typically, only me and the girl whose party it was, actually did anything.

Everyone else went off to the balcony.

"You know what that lazy lot are like," Elaine said, pouring me some wine.

"Besides, we can have some fun without anyone knowing," she said.

I'd heard about Elaine and her penchant for pussy, but I'd always thought it was just a rumour.

Elaine kissed me on the lips and felt my breasts. My nipples stiffed against her fingers and my pussy tingled inside my panties.

"I'd love to lick your cunt," she whispered, so I hopped up onto the counter and pulled my skirt up. We had to be quick as anyone could've walked in at any moment, but that just added to the thrill.

Elaine dipped her tongue between my lips and stroked it inside me.

I gasped as I felt her wriggling against my folds and bit my finger when she began circling my clit.

She dabbed the tip of her tongue against my love button and stroked a finger across my puckered arsehole, making me tingle in the most wonderful way.

I opened my eyes and watched as she licked between my legs. It was the most erotic thing I'd ever seen and I came on her face in that instant.

Elaine slurped it all up and rubbed her fingers over my clit until I came some more.

I was just cumming for the last time when Elaine's husband walked in and caught us both.

"I wondered what was keeping you," he chuckled, then went back to the balcony. I was embarrassed but Elaine reassure me he wouldn't say anything. "Not if he wants his blow job tonight."

Amber, Sussex.

You wouldn't have the Paul Raymond staff down as the wisest investors out there – we're still betting on the internet breaking down and everyone buying porn mags again. Wannabe clitty slicker Perri is trying to give us some stock tips, but we're not taking her too seriously either – she looks like she's just lost her shirt and our pants are already plummeting. "Don't tie up all your money," she advises. "Keep something liquid." No worries on that score, Perri. Where do you want it, love?

So what's the trick to chatting up a tasty tartlet like 31-year-old Naomi if you see her perched on a bar stool? You think you need money, patter, designer stubble? "The answer's simple," she grins. "You just have to be honest with me! I don't like triers." Oh, that seems simple enough. So, if we could just whisper in your ear a second, Naomi. "Not that honest, you dirty bastard. Although, now you mention it…"

Friends and Lovers

A fragile ego here, a compliment there. We can all see where this is going even if the two main characters Caroline and Matt can't, as they wander down the length of their friendship. But when Caroline comes home early to surprise her boyfriend, she gets a shock of her own after discovering her partner's infidelities. So as Caroline's world crumbles conveniently so does Matt's as his girlfriend Rebecca thinks it's time they took a break. Will they eventually get it on and grab a slice of the kinky action that seems to be going on around them? You'll have to watch and see. Mainly one on one scenes, with a singular cheer me up threesome, but plenty of deep throat, pussy licking and cum showers.
